

Electives 2017

22/6/17

Yay! Next term is Electives for our children.

For those of you who don't know about electives—it's a great time, when for 5 weeks we set aside Wednesday afternoons for crafty and other types of unusual activities! The children are split into small groups for each activity.

In previous years we have had groups such as knitting, mosaics, art, extreme sports, cooking, music, multi-media studies etc etc. The types of activities this year may be up to you...for parents and grandparents are invited to take a group or assist with a group if they wish to, and help impart important skills that can stay with the children for life.

We need approximately 22 adults to successfully run the programme for this year. We would like to gauge interest in helping before we commit ourselves to going ahead with the programme. This year we are hoping to offer Snowboarding again to our year 7/8 students, just waiting for confirmation from Snowplanet. Please note that the fee for 5 lessons last year was \$155. If you're unsure what elective you could take, we have many books at school to give you ideas, or perhaps you would like to brainstorm with others about possibilities.

This year we are again going to have to charge a small fee for Electives. This will vary depending on the activity, materials needed and any transportation costs.

**DATES: Each Wednesday afternoon - 1 pm — 2.15pm
Wednesday 2nd, 9th, 16th, 23rd August and last one on 6th September.
Please note no electives on 30th August due to another event
already calendared.**

If you are able to take a group, or assist, please fill out the cut off slip and return to school by Friday 30th August.

All enquiries to Martin Waller in Room 3

ELECTIVES 2017

I am able / unable to take an elective.

Ideas for your elective

I am able / unable to assist with a group.
